

FAMILY FORMATION: Families, Faith & Fun

Family Gatherings to hear God's Story Sundays 10 - 11 AM in the Walkway or the Parish Hall

Holy Trinity's Youth Theater Group for young people in grades 6-12 supports children in Family Formation by regularly filming a short, humorous skit that introduces each week's story. For instance, on Oct. 2, the story was God's promise to Abraham and Sarah that they would have a child and their descendants would be as many as the stars. For that skit, Juliette Godbout and Russell Platt performed the skit "Some Promise." Then, for the Oct. 16 story of Joseph and how he was able to interpret Pharaoh's dreams and save so many through a famine, Joseph Mitala and Charlie Platt performed the skit "Dream On." These performances are filmed by Elaina Thompson, who then merges her three different takes into an expertly edited short film.

The children love that they can recognize the actors in these introductory skits, and the actors enjoy the "fame" that starring in these skits brings them. These films are so good that they deserve to be seen by many, which is why I am encouraging everyone to go to Holy Trinity's website -www.holytrinitywc.org- to support our young people and view these videos. You'll be impressed!
